On the fence...

“Thank you doesn’t even begin to cover how grateful we are to Lisa and the team at Flowers and Sparkle for bringing our vision to life for our wedding day back in December 2024 at The Barnyard.

When we knew a named storm was heading our way the weekend of our wedding, we knew it might cause some hiccups, but Lisa and the team handled it with grace and patience. We put complete trust and faith in them, knowing they would make our day look beautiful and they did.

I’m not an expert in flowers, or decor for that matter, but I didn’t need to be, as I think Lisa was able to read my mind and make it even more amazing than I could have imagined.

Mine and my bridesmaid’s bouquets were stunning, and complemented us perfectly.

Also the fact that we could turn up on the day, and not need to lift a finger as they worked their magic was a lifesaver. Absolutely worth every single penny.

Thank you will never be thank you enough. You are truly astounding at what you do, and your talent is unmatched. Thank you.”

Love Dr and Mrs Malloy!

TESTIMONIALS

"Lisa and her team provided the most amazing flowers for our wedding at The Barnyard back in August.

From the minute we met her, we knew that she would do an amazing job. The flowers were really important to us and she absolutely smashed the brief.

We are getting our flowers from the day preserved as we loved them so much. She took on board everything that we wanted, gave us suggestions and delivered exactly what we wanted and more. The communication was amazing, the booking process was easy and her show room was great!
Thank you so much to Lisa and the team at Flowers and Sparkle"

Everyone couldn't stop talking about the beautiful flowers and the stunning outdoor ceremony setup. Every detail, right down to the chair ribbons, was absolutely perfect! Thank you so much for making our dream day a reality! x

These flowers were absolutely incredible.
Put together so well and honestly such a focal point of the day.

Ps. This is a secret, but the venue said they were the best flowers they've seen this year so far!!
